Purchasing Cemetery Plots from Ohr Kodesh (Updated: June 1, 2020)

Ohr Kodesh Congregation has made arrangements with **Judean Memorial Gardens** (16225 Batchellors Forest Road in Olney, Maryland) to have designated areas of its cemetery reserved for current and future use by Ohr Kodesh Congregation and its members. There are two such designated areas at Judean Memorial Gardens; one in Section 10, where upright, granite grave markers are used, and another in Section 11, where bronze grave markers are laid flat on the ground.

All plots in the designated Ohr Kodesh areas are governed by policies and practices that adhere to standards of Jewish law (*halakhah*) and which serve to ensure the Jewish integrity of the cemetery. Any related questions should be directed to our rabbi, who has the final authority over such matters.

Individuals, couples or families seeking to purchase a cemetery plot(s) in the Ohr Kodesh section(s) should contact the Executive Director, who can identify which specific plots are currently available for purchase. In the event that we cannot accommodate a request via our existing sites, Ohr Kodesh can arrange to procure additional, adjacent plots, though this requires added time. In the event of a sudden and/or unexpected need, Ohr Kodesh can potentially expedite the sale of an existing plot(s).

Prices are as follows (as of June 1, 2020)

\$3,600 for each grave site in Section 10 (upright, granite markers)

\$2,500 for each grave site in Section 11 (flat, bronze markers)

Payment can be made in full at the time of the order, in four equal monthly installments, or a payment plan can be arranged with the Executive Director. Upon successful completion of the sale, a certificate of ownership for the designated gravesite(s) will be issued to the purchaser.
