

2023-2024 OHR KODESH FEE STRUCTURE

MEMBERSHIP: The fiscal and membership year for Ohr Kodesh runs from July 1 until June 30.

First Time Members: First time members will be given a 25% reduction on the applicable dues for their first “full” year of membership. New members who join after January 1 will be charged the appropriate pro-rated amount based on 100% of the current year’s dues and the 25% reduction will then be applied in the year that follows.

<u>Age</u>	<u>Annual Family Dues</u>	<u>Annual Individual* Dues</u>
Under 30	\$2,405	\$1,510
30-35	\$3,235	\$1,895
Over 35	\$3,840	\$2,190

*Individual is defined as head of a household who is single, widowed, or formerly married, with or without children.

NON-RESIDENT MEMBERSHIP: Non-resident membership dues rate is one-half the applicable dues charge and is available to families and individuals who reside outside the Washington Metropolitan area for a minimum of six successive months a year.

BUILDING FUND: New members are assessed a Building Fund fee of \$2,100 payable \$300/year for seven years beginning in the year when they join.

CAPITAL MAINTENANCE FUND: All members are annually charged a Capital Maintenance Fund, which is a “reserve fund” that is used for capital repairs and replacement costs that are outside of the operating budget. After many years without change, the Board of Directors has approved an increase of \$50/household beginning in 2023-24:

\$200 for Families **\$150** for Individuals

\$100 for all member households (Family or Individual) who are paying the Building Fund for that fiscal year.

SECURITY FEES: An **annual security fee** of **\$200.00** is charged to all OKC member households and it will remain unchanged. Its purpose is to cover the annual costs of our monitoring service and ongoing costs of having security personnel at our facility. Additional fees are also charged to other users; ABRS = **\$50/family**; ECC = **\$275/family** and direct costs are charged for outside rentals.
