

HEBREW HIGH CALENDAR 2021-2022

September - May

11AM-12PM

In addition to our regular classes, this year we are beginning a new journey into Israel Education. Expanding on our first successful session last April, we will be learning about Israel Advocacy with Hasbara Fellowships. Our in-school classes will utilize Zoom to “invite” speakers to engage and have conversations with us exploring our past, connecting to Israel, and how to become advocates for our Jewish homeland.

We will also be discussing the complexities that surround Israel, and its neighbors. We will be using the book titled Letters from My Palestinian Neighbor by Joseph Klein Halevi. Rabbi Rosin and Lincoln Richman will be conducting these sessions.
