YIOZ Expansion Update:

Our architect recently submitted preliminary drawings based on the feedback from members at the General Membership Meeting and we are currently receiving bids (estimates) from several contractors. Our next steps will be determined by the estimates and will be shared with the entire congregation.

Last week work was done by civil engineers in our parking lot to ensure stability of the retaining wall and to address drainage issues. The Board members and the members of the Expansion Committee are available for any questions or comments.

Lost and Found: There are a significant number of garments that have been left in shul over the past several months. They essentially fill the first coat hanging area immediately to the right upon entry. If you have left anything in shul over the past weeks, or have been looking for something at home that you just can't find, please look at our collection. **What is not claimed by the end of this month will be donated.**

Calling all YIOZ Parents and Children: Shabbat Afternoon Groups will be kicking off this Shabbat!

This year, we will be rotating each week to different homes/yards for groups.

If you would like to volunteer to host, please email Ben and Elisheva: yiozyouth@gmail.com
