Shabbat April 13th- Shabbat HaGadol

Mincha: 7 PM

Shabbat HaGadol Drasha with Rabbi Hain

“ליל שימורים”

The Fragility of Hope on the Seder Night

The seder night is characterized in both the book of *Shemot* and Rabbinic literature as “*leil shimurim*”- a night of protection, vigilance, or watchfulness. Left ambiguous: who exactly is doing this “guarding” and for or from whom? This year’s Shabbat HaGadol Discourse will explore this elusive phrase from literary, legal, and theological perspectives. By deepening our understanding of “*leil shimurim*” in all of its dimensions we will aim to transform our seder experience. The YIOZ community is invited to join us for this special learning event on Shabbat HaGadol following Mincha at 7 PM. Childcare will be provided.
