

The Leo Baeck College Lehrhaus programme is designed to promote the development and growth of adult Jewish learning for 21st Century Jews.

“ It was a delight to listen to Mark explaining the Rambam’s attempt to define “negative attributes of God” as set out in the Guide of the Perplexed. ”

“ The choice of sources and their elucidation in a lively manner drew all members of the class into the discussion. ”

“ The best course of the several I have taken in the two years since I moved to London. ”

“ The teacher provided excellent teaching materials and in particular, great illustrations. She explained everything very clearly and was happy to answer any questions by email after the sessions and to suggest further reading. She really provided insights into a topic I must admit I was at first a bit doubtful about and made me want to learn more. ”
