Tifereth Israel Congregation • Washington, DC

There is a time for everything
For all things under the sun

A time to dance

A time to seek

And a time to lose

A time to forget

And a time to remember

Ecclesiastes 3

Honoring Loved Ones

For information about purchasing memorial plaques, dedicating sacred books or to learn about other ways to honor the memory of a loved one, email sheri@tifereth-israel.org or call the TI office at 202-882-1605.

* * * * *

Yahrzeitn

TI maintains a record of *yahrzeitn* and notifies loved ones so they can recite *kaddish* at the appropriate time each year. You can add names to your *yahrzeit* list through ShulCloud or by contacting the TI office at 202-882-1605 or info@tifereth-israel.org.

Updating The Book of Remembrance

We need your help to keep records accurate and current. Please call us concerning any error or any omission so that we can correct the next edition of this booklet.

Thank you

**Tifereth Israel Congregation
expresses appreciation
to those who remember their loved ones
through generous contributions
to the synagogue.**

Thank you so much.

*We thank You, O God of life and love,
For the resurrecting gift of memory
Which endows Your children,
Fashioned in Your image,
With the Godlike sovereign power
To give immortality through love.
Blessed are You, God,
Who enables Your children to remember.*

Memorial Plaques

Memorial Plaques

The names in this section are taken from the bronze plaques affixed to the memorial tablets in the Wolman Sanctuary. Each year, when *yahrzeit* and *yizkor* candles are lit at home, a light is also lit in the synagogue beside the names of our loved ones.

What if the soul isn't just a metaphor for a deep place inside us? What if the soul is a spiritual entity, a holy guide, an eternal messenger of God dwelling within us? What if the soul can see what our eyes can't perceive? What if the soul has longings and needs and wisdom to offer us about our higher calling and true love, and the very purpose of our lives? What if the soul lives on when we die?

What if the souls of departed loved ones are closer to us than we ever imagined?
