## All About High Holidays at Tifereth Israel

This sheet describes the various services at TI during High Holidays, and explains how to order tickets and register for children's and youth activities. **Please order tickets by August 15<sup>th</sup> so the TI staff can do their best to honor your seating requests.** We look forward to being with you during the Days of Awe. **HAVE A GREAT SUMMER!**

### **Wolman Sanctuary**

Our beautiful traditional egalitarian services are led by Rabbi Ethan Seidel, along with expert lay leaders. We use *Mahzor Lev Shalem*, which is rich in commentary and links study and prayer through a synthesis of historical scholarship and spiritual vision.

Wolman services are held on Erev Rosh Hashanah, both mornings of Rosh Hashanah, Kol Nidre, Yom Kippur morning and afternoon, and Neilah. Tickets for assigned seats are required for the first day of Rosh Hashanah, Kol Nidre and Yom Kippur morning. At all other times the Wolman Sanctuary has general seating for both Wolman and Cherner ticket holders. Children are always welcome.

### **Cherner Auditorium**

Led once again by singer-songwriter and Rabbi Minna Bromberg, this is a contemplative service that may utilize musical instruments. Services include a full liturgy using *Mahzor Lev Shalem* and are conducted in a more informal manner than the Wolman service. The service has open seating at all times but tickets are required.

Cherner services are held on the first morning of Rosh Hashanah, Kol Nidre, and Yom Kippur morning, with open seating. Wolman ticket holders may join at any time!

### **Tot Services**

Families with children up to 5 years old will especially enjoy volunteer-led services for our youngest members. Services will begin ~10:30 am each morning after the Cherner Torah parade and will last for 30 minutes.

Tot High Holiday services will be held on both mornings of Rosh HaShanah and on Yom Kippur.

## **Babysitting and Youth Activities**

Babysitting will be available for children aged 18 months through Pre-K.

Kindergarten-7<sup>th</sup> graders will begin the mornings with their families before moving on to age-specific programming.
