

We wish a hearty Mazal tov to  
**Aiden Hall**  
on his Bar Mitzvah this Shabbat  
and to his parents  
**Jacqui and Mark Hall**  
and grandparents  
**Lionel and Michelle Dressner and Sharon Hall.**

Aiden is a very kind, caring and compassionate child. He protects his friends and family fiercely. From a young age Aiden was always the first one to comfort his friends when they were hurt. He is a fantastic big brother, always eager to hear stories of Tyler's day and show encouragement in everything he does. He is very passionate and driven with his swimming, focusing on improving his times and entering as many carnivals as he can. When his attention is not on swimming, Aiden can be found writing stories and drawing comics. He has an active imagination and is a wonderful story teller.
