Outdoor Minyan Update • June 24 • 2 Tammuz

Dear Friends,

We would like to update the community about the status of our Minyanim and changes that we are making based on the following factors:

1. Thankfully, we have not seen a spike in the number of COVID-19 cases in our area, even as the state moves farther along in its reopening process.
2. Some of the Minyanim reached full capacity.
3. The Minyan Committee, in consultation with trusted medical authorities, is comfortable adding Kriat Hatorah into our Minyanim at this time. Gabbaim and Baalei Kriyah at all Minyanim will have strict instructions on how Kriyat Hatorah is to take place.

What stays the same:

- You must register for all Minyanim, even if you did so last week.
- Register at shomrei-torah.org/minyanparticipation.
- The guidelines for Minyanim that were detailed last week still apply. They can be found at the registration link above. We are very proud that the community has been careful to follow the guidelines when attending our minyanim.

We remind you that:

- Minyanim are a reshut/optional and not a chiyuv/obligatory at this time, even for one saying kaddish.
- Anyone who is immunocompromised, over 60 years old, obese, has heart disease, asthma or COPD, is on dialysis, has liver disease, or has another compromising condition is strongly urged to continue to daven at home and to consult with your physician to determine whether it is a good idea to join a minyan. Similarly, anyone who lives with such a person should consider continuing to daven at home.
- It is prohibited to attend a minyan if one is sick with any condition, including but not limited to a fever, sore throat, cough, stomach issues or body ache. You will not be able to resume attending a minyan until cleared by a doctor. Anyone who has tested positive for COVID must be cleared by a doctor for participation in a minyan.
- The minyanim, for now, are open to men and women, ages 12/13 and above.
- Participants at minyanim must follow social distancing and mask wearing, both at minyanim and wherever else is required to do so by the law.
- There will be no bathroom use at the minyan locations. Please return to your own home if you need a bathroom.
- Chairs will not be provided, bring your own chair if needed
- Each participant must bring their own Siddur/Chumash.

Thank you,

Rabbi Donath, Rabbi Markowitz, and the Outdoor Minyan Committee
