Indoor/Outdoor Minyan Update • January 20 • 7 Shevat

What stays the same:

- **Please be aware** due to Fair Lawn town regulations about tents during the winter months, our tent has been taken down. We will still be able to have outdoor minyanim, weather permitting.
- You must register for all Minyanim, even if you did so last week.
- Register at shomrei-torah.org/minyanparticipation.

We remind you that:

- Anyone who is immunocompromised, over 60 years old, obese, has heart disease, asthma or COPD, is on dialysis, has liver disease, or has another compromising condition is strongly urged to continue to daven at home and to consult with your physician to determine whether it is a good idea to join a minyan. Similarly, anyone who lives with such a person should consider continuing to daven at home.
- It is prohibited to attend a minyan if one is sick with any condition, including but not limited to a fever, sore throat, cough, stomach issues or body ache. You will not be able to resume attending a minyan until cleared by a doctor. Anyone who has tested positive for COVID must be cleared by a doctor for participation in a minyan.
- The minyanim, for now, are open to men and women, ages 9 and above as long as they stay with a parent and wear a mask.
- Participants at minyanim, shiurim and shul events must follow social distancing and mask wearing guidelines, both at minyanim and wherever else is required to do so by the law.
- Please do not come to shul or any shul function while in quarantine.
