

AUTHORIZATION FOR SALE OF CHOMETZ 5779/2019

The undersigned authorize Rabbi Greg Wall of Beit Chaverim, Westport, CT and/or any agent acting on his behalf, to act in my/our behalf and to sell, before the coming Passover, all my/our chametz as enumerated below, all in accordance with Jewish Law and prevalent Jewish custom. The chametz is found especially at (list addresses- use back of page for additional locations):

\_\_\_\_\_

This authorization includes the sale of chametz that is in my/our possession, and also goods that would be delivered to me/us during the period of April 19 through April 27, 2019, as well as chametz which I/we may own in full or in part through a controlling interest (as defined in the U.S. Securities Laws) in shares of stock in corporations which sell or deal in chametz. All such chametz is to be sold to a non-Jew of the Rabbi's choosing, within the time that it is still legally permitted to do so. The purchaser shall also have free access to the chametz or any part thereof, and to any storage area in my/our possession which will be rented to him together with the sale. The place where the chametz is located is to be rented to the buyer for the period of March 30 through April 7 of this year, and the Rabbi is authorized to act as agent for such rental. The buyer's deposit and rental fee are to be retained by the Rabbi as compensation.

Incorporated by reference in this document, are the terms and conditions contained in the omnibus bill of sale and rental agreement to be executed by the Rabbi with the non-Jew at the time of the sale. Such terms and conditions shall be deemed as if set forth expressly in this Authorization. This authorization shall be binding by my/our signature(s) below, or by the kinyan (form of legal transfer under Jewish Law) constituted by the taking hold of a garment or other material item.

Executed this \_\_\_\_ day of \_\_\_\_\_ 2019, of the Common Era, in the city or town of \_\_\_\_\_ without any reservations whether stated or implied, and in good faith.

Signed: \_\_\_\_\_

Printed name(s): \_\_\_\_\_
