

PRAYER FOR MY PET

"Behold, I establish my covenant with you and with your seed after you, and with every living creature that is with you: the fowl, the cattle, and every beast of the earth with you." Genesis 9:9-10

Praised are you Eternal God of the universe. In your infinite wisdom you created the universe and blessed us with all living creatures.

I especially thank you for entrusting me with my pet, my friend, who brings me so much happiness and whose presence very often helps me get through trying times.

Please bless my pet with health and long life and make me a responsible steward of your creature. May we continue to give each other joy and be reminded of Your love.

As my pet trusts me to take care of it, help me remember to trust You to take care of me, for in so doing we share in your love for all your creatures. And, we remember too all endangered species and ask your help in taking care of them so that we may continue to appreciate all of your creation.
