

WEEKLY BULLETIN OF B'NAI ZION TEMPLE
Shreveport, Louisiana.
May 29th, 30th, 1942

Members of B'nai Zion, this is the last issue of the Bulletin for this year. As it is being written, your rabbi thinks back on all that has happened since the first copy came rolling from the machine. We have seen a year of growing participation, of increased activity, of heightened devotion. Our halls have echoed not only to resounding hymns, but also to happy voices of children as they met for play. They have vibrated not only to the devoted voices of teachers in classroom work, but also to the mature words of parents as they foregathered here to seek a fuller Jewish life. We have made the difficult transition (as have all Americans) from peace-time thought to the psychology of total war. And in making that great transition, we have realized ever more clearly the great role our faith is to play. And now, as we go into our summer services, may we take this opportunity of strengthening our souls-- that the sacrifices of the future will find ready volunteers stepping forth out of Israel's ranks.
