**T**he Viewpoints mission is to present programs about the nontraditional Jewish community. As part of these goals we are sponsoring a series about the relations between Jews and people of color.

The committee will sponsor a two part program about Unconscious Bias originally offered by the Jewish Federation of Northern NJ.

The first session on October 28 at 7:30PM is about the history of Jewish -

Black relationships.

The second program on November 4th at 7:30PM is about White Privilege.

Each lecture is 60 minutes with a discussion to follow.

The program is free and open to the community. You just have to let us know that you're coming.

Please RSVP your name to [Viewpoints@emeth.org](mailto:Viewpoints@emeth.org) or just give us a call at 201-833-1322
