BAR/BAT MITZVAH

MITZVAH PROJECTS

BACKGROUND & GOALS:

Becoming a bar/bat mitzvah really means becoming a responsible “son” or “daughter” of the commandments. There are really two different types of mitzvot (commandments):

- (1) ***Mitzvot ben adam la'Makom***: commandments that are between you and God (like prayers, keeping kosher, etc.) and
- (2) ***Mitzvot ben adam l'chavero***: commandments that are between you and other people around you (feeding the hungry, etc.).

Many of you are working hard preparing for those mitzvot related to the first type of commandment by learning prayers, but equally important is the opportunity to do mitzvot for others around us. Therefore, we ask each bar/bat mitzvah student to complete a mitzvah project. We also hope that this is a meaningful and educational part of the process as well. Being involved in “tikkun olam” - repairing the world, is an important part of becoming a responsible adult in the Jewish community and we hope that this project is the beginning of a life-long commitment to helping others in the world around us.

Format of Mitzvah Project:

First and foremost, we want this mitzvah project to be something that you enjoy, something that speaks to your interests. We believe that if you find volunteer opportunities that interest you, this increases the likelihood that you will continue volunteering, perhaps well beyond the time that you become a bar/bat mitzvah.

Here are some guidelines of what the mitzvah project IS:

- ✓ Something hands-on. A form of “direct-service.”
- ✓ An opportunity to interact with people in-need, whereby you meet those who are impacted by your help.
- ✓ A substantial project that involves at least 10 hours of your time.
- ✓ An opportunity to create greater awareness and education about a cause.
- ✓ Either a self-initiated project or a project that involves an existing organization.
- ✓ Either completed by yourself OR done with a friend, while equally sharing the work.

The mitzvah project is NOT:

- ✓ Fundraising for an organization. (Although we encourage you to fundraise for an organization or donate a portion of your bar/bat mitzvah gifts to charities, this does not “count” for your mitzvah project).
- ✓ A one-time short visit to an organization.
- ✓ Solely “collecting” something for an organization. If you want to collect and donate items, we also want a substantial amount of the time being dedicated to interacting

with others who will benefit from your collection. Or, you can supplement your collection with another more interactive mitzvah project.

What is the timeline?

Mitzvah projects should be completed by your bar/bat mitzvah date, even if you are working with a friend. During your d'var Torah (speech) on your bar/bat mitzvah date, you will share details about your mitzvah project, including what you learned and how it had an impact on you.

Where Do I Start?

You can choose a mitzvah project from the list of volunteer opportunities listed below. You can also feel free to create your own mitzvah project. In either case, please complete the **Mitzvah Project Proposal Form**, which Dr. Silk will approve. Please note: the list that we are providing is not a complete list. Bring your own creative ideas!

Class Volunteer Projects

As a Zayin class, we will also plan on participating in other mitzvah projects together. These projects are part of our regular class curriculum and are done in addition to your special bar/bat mitzvah mitzvah project. Some examples of these class projects include:

- ✓ Volunteering for Daughters of Miriam; running a carnival for the residents.
- ✓ Raking leaves in November for seniors in Glen Rock.
- ✓ Visiting a Jewish assisted living home around Purim to deliver Mishloach Manot (gifts of food), and perform a Purim Shpiel (skit).

Bar/Bat Mitzvah "Twinning"

In addition to your mitzvah project, we also encourage you to participate in a "twinning" project, which will match you up with a child who was/is not able to have a bar/bat mitzvah or other similar bar/bat mitzvah "buddy." This program is optional, but very powerful. Here are a couple of options:

- ✓ Twinning with a Child of the Holocaust:

- ✓ Twinning with a righteous rescuer of the Holocaust:
