

In 5779 B'nai Chaim will hold High Holy Days Services in our Temple with seating for 200 in the sanctuary. There will be additional seating downstairs in the Social Hall where services may be viewed via closed circuit television. For security and administrative process, pre-registration and nametags will be required for all attendees. Your nametag will hold tickets for all services for which reservations were received. This system is intended to speed the admission process and eliminate confusion at the door. Please complete these reservation forms for your family and mail the forms by **August 25**, so we will know the total number of attendees and arrange adequate seating.

We will have nametags and guest tickets for everyone. For security purposes, everyone must wear their nametags to attend services. Please include names of **all** attendees on the reservation form below.
