

BCTY TEEN Winter Coat, Hat and Glove Mitzvah Drive

The **BCTY Teens** are collecting new and gently used warm winter coats, hats and gloves for men, women, and children for **Dependable Cleaners Coats for Colorado Drive**.

Did you know that children's and men's coats receive the fewest donations?

Please bring your donations to the temple and place them in the collection bin that will be by the front door where the food collection bin is.

Coats will be cleaned by Dependable Cleaners, making them COVID-free before distribution.

**Collections will be accepting starting Sunday October 17th-
Sunday November 21st**

Coats for Colorado was the first coat drive in the country. In 1982, Dependable Cleaners and Shirt Laundry Company were inspired by a customer who was collecting coats for the underprivileged. During their first year, Coats for Colorado collected 750 coats. Decades later, Coats for Colorado has collected, cleaned, and distributed over 2 million coats in the Denver metro area.
