

Rabbi Judah Kerbel

COME JOIN US!

From our meaningful Torah and Tefillah throughout the week, our intergenerational relationships, and our variety of educational/social programming, the QJC has plenty to offer everyone.

The **Queens Jewish Center (QJC)**, a member synagogue of the Orthodox Union (OU), has served as a leading institution within the Modern Orthodox community for eighty years.

Throughout this time, it has been led by distinguished Rabbanim and lay leaders whose impact within the Jewish world has resonated beyond the corridors of the synagogue.

To this day, the synagogue continues to embody the very best of Torah values, and it prides itself on its commitment to a religious and Zionist philosophy.

For reservations and more detailed event information, please contact the synagogue office at 718-459-8432, office@MyQJC.org or refer to www.MyQJC.org.
