Jews in Far-Flung Corners of the World

Ethan Goldrich has been a member of the U.S. Foreign Service for more than 30 years and a member of HTAA. Throughout his career, he has sought to combine a life of service to his country with a commitment to practicing Judaism. Listen to him speak about the many different kinds of Jewish communities he and his family became a part of during his seven overseas postings and how these experiences enriched his own Jewish identity and his understanding of what it means to be a part of a community.

A Message from Ruth Chornock, Torah Fund Chairman

With the New Year fast approaching, I would like to take this opportunity to thank our generous members for their donation to the Torah Fund. These contributions help to ensure the future of our Jewish communities here and abroad. It is not too late to send in your check. May your generosity be a blessing to those who need it, and to you and your family may you be sealed in the book of life!

If You See Something, Say Something!

We take our safety seriously. If you see something suspicious, call the office immediately or email Security@htaa.org. Thank you for being our eyes and ears!

Hi-Lites is a weekly publication of HTAA. If you have a special occasion such as yahrzeit, birthday, or anniversary, please consider sponsoring the Hi-Lites with a contribution.
