## Jews in Far-Flung Corners of the World

Ethan Goldrich has been a member of the U.S. Foreign Service for more than 30 years and a member of HTAA. Throughout his career, he has sought to combine a life of service to his country with a commitment to practicing Judaism. Listen to him speak about the many different kinds of Jewish communities he and his family became a part of during his seven overseas postings and how these experiences enriched his own Jewish identity and his understanding of what it means to be a part of a community.
