### HTAA Men's Club Opportunities

HTAA Men's Club offers its membership social engagements, opportunities to learn about new things, and provides support to our Congregation. We've gone through three years of Pandemic-related inactivity. It is time to get the Men's Club restarted. Are you ready to join us for some exciting opportunities?

We are curious to know what activities our prospective members, and the HTAA Congregation are interested in attending. In the past, we have held fishing trips, hosted speakers, attended baseball and basketball games, had co-ed softball, and assisted in the assembly of the HTAA sukkah. We also held the Yom Tov Bowl, an annual sport event prior to Tashlich.

Fortunately, we have the funds available to do many exciting activities together. This year, We want to offer occasions at sporting events, dinners, speakers, various social activities, and some events in cooperation with our Sisterhood. We are looking for input from prospective members, and the congregation to find out what you would be interested in participating in.

**Please fill out the form below and drop it off at the HTAA Office  
or email Men's Club with your suggestions.**

## WE NEED YOUR SUPPORT!

It's wonderful to have events to attend, but we need help to plan and run them as well. **Men's Club is looking for people to help volunteer for events and for the Men's Club Board.** I have been President for about 8 years. I've gained experience doing many things, but it is time for new ideas and new members begin to step in. Mel Sacks has been Treasurer longer than I have been President. I am sure he would appreciate some support as well. Please consider taking a more active role in our Mens Club. It's a lot easier working on a task when you have a supporting cast. Please email me if you are interested in joining the HTAA Men's Club or if you want to become more involved. I look forward to you joining us.

-Gene, Men's Club President
