### HOW DO YOUR DUES SUPPORT B'NAI ISRAEL?

We are here when you need us.

Judaism - Ritual & Tradition has remained a force in the world for centuries. The Torah binds our people and wraps us in strength through trying times. Our world is currently experiencing transformative questioning about the direction of humanity. Our tradition guides us and tells us we are all family - we are one! Your support, through a dues pledge helps ensure we continue to be there for our community in times of sorrow, but more importantly, in times of celebration and happiness. We want to be there for our family - our congregants, our broader community, and a force of kindness and compassion in the world.
