Keshet strives to offer fair pricing and therefore does not budget for contingencies resulting from weather or security issues. Itineraries may be altered as a result of these factors. The prices listed reflect rates quoted by hotels and vendors as of July 2018. In the event of devaluation of the US dollar exchange rates, hotels and other vendors may add surcharges; Keshet reserves the right to pass such increases on to trip participants.

Trip Insurance Keshet urges you to purchase cancellation insurance and supplemental medical coverage covering preexisting conditions. We recommend the "Cancel For Any Reason" policies which offer the broadest coverage. The medical coverage included in most travel insurance is a secondary, supplemental policy, which means that in case of a medical claim, you will first need to file with your own US medical insurance before filing for coverage of medical expenses covered by the travel insurance. **Please note:** We cannot accept responsibility for any losses or expenses that you or any member of your party may incur because of failure to secure adequate insurance coverage.
