Temple Emet Membership Message

On behalf of the Membership Committee we **WELCOME** you to Temple Emet!

Temple Emet is the only Reform Congregation in Torrance.

Since its humble beginning in 2010, Temple Emet has grown from about 30 members to serving well over 200 congregants today.

Under the spiritual direction and leadership of our beloved Rabbi-Cantor Didi Thomas, and through the generous contributions of our members, we were able to establish our own Temple right here in the South Bay.

As a member of Temple Emet, you will have the opportunity to participate in a variety of sponsored religious and community activities. In addition to religious services and Torah study, Temple Emet provides Hebrew education for all ages. Social activities are also an important part of our community. From Sisterhood, the single ladies of Chaverah member, to the Men's Club for the men, to Meals for Six and much more to help you get acquainted with other members of our community. We even have activities to heal the mind and body. Everything from Reiki classes to meditative prayer.

Community outreach is also an important part of our mission. We participate in interfaith services, donate food and clothes to help feed the homeless, etc.

At Temple Emet, we are truly an inclusive Jewish congregation. Our motto is: **We do things differently!**

If you would like to become a member, please contact Harriet Allyn or David Applebaum at: membership@templeemet.org. We hope that you will take advantage of all that we have to offer.
