

TEMPLE EMET MEN'S CLUB

All adult male members of Temple Emet are automatically members of the Men's club. The members take turns hosting the monthly events. We have no formal leadership positions and there are no dues. It is basically a social group (with some Temple support actions) within the Temple Emet framework promoting fellowship.

Typical activities have included poker nights, wine tasting, refurbishing the Temple's pews and garden benches, trips to the Space Shuttle Endeavour and the USS Iowa.

Every August/September the Men's Club sponsors a BBQ at 6:00 pm on Friday evening just prior to the 7:30 pm Friday night service.

This year, the Men's Club sponsored a "parking lot sale" in the Temple parking lot, which raised approximately \$ 1,700 to be used toward the purchase of parking lot lighting.

The Men's Club meets on the third Friday of the month so that you can plan your schedule accordingly. Monthly emails will announce the upcoming events.

If you have any questions or concerns, please contact Allen Ravine at (310) 542-5966.
