PARASHAT HASHAVUA

PARASHAT VAYIKRA

Page 544 in the Stone Chumash

1st & 2nd & 3rd Aliyot: The instructions for offering a "Oleh" – burnt offering (fully consumed on the Altar) is detailed. This offering could be brought from a bull, or male sheep or goat. The less expensive "Oleh", using a Turtle Dove or common dove, is described. The Mincha, an offering made from baked, fried, or deep fried matzoh type crackers is detailed.

4th Aliya: The Korban Shlamim – the peace offering, brought from male or female cattle, sheep, and goats is described.

5th Aliya: This aliya describes this Korban Chatas – the sin offering. Three unique sin offerings are described:

1. When the High Priest sinned
2. If the King sinned
3. If the entire nation sinned because of a wrong ruling by the Sanhedrin – High Court. Note: A Korban Chatas could only be offered if the sin was unintentional.

6th & 7th Aliyot: The Korban Chatas of a commoner is detailed, as well as the specifics of the Korban Asham – the guilt offering. This Korban was offered in instances where intentional wrongdoing was implicated; such as not fulfilling an assumed oath, or doing something questionable without first ascertaining the law. Additionally, a type of Asham was offered in instances of dishonesty and swearing falsely.

HAFTARAH FOR VAYIKRA/ZACHOR

Page 1214 in the Stone Chumash

The Navi contrasts the idol worshiper with Yakov, the servant of G-d. By choosing Israel to be G-d's nation, we were afforded the unique opportunity of serving G-d in His own home. The Haftarah begins with G-d's declaration that we were created for the purpose of proclaiming His praises and mastery. The tools for doing so is nature itself in accordance with G-d's rules and dictates. After describing the foolishness of those who would replace Him with images fashioned by human hands, G-d reaffirms our selection as His Chosen People. He guarantees that so long as we return to the prescribed service of the Temple, we will be forgiven and redeemed.
