Oraysa program

Announcements

- **Security Measures:** In light of ongoing security concerns, we are taking proactive steps to bolster the safety and security of our community at YIQV. These measures include a surveillance system check, rotation of greeters, collaboration with the NYPD 107th Precinct, and designation of a single designated entry point to the *shul*. If you would like to volunteer for the important duty of being a greeter, please sign up using the online form.
- **Cholent Bowl Cook-Off:** Get ready for a sizzling showdown at the Young Israel of Queens Valley with our latest culinary extravaganza – "The Cholent Bowl"! Embrace your inner chef as teams of contestants battle it out for the coveted title of YIQV Cholent Champ. This exciting competition is open to all members, inviting you to showcase your culinary prowess and bring forth the most delectable cholent creation. The stakes are high, with the winner set to take home a special prize that promises to elevate your kitchen game. Don't miss out on this flavorful experience – register your team before the deadline on Tuesday, January 30, 2024, and let the Cholent Bowl festivities begin! Spots are limited so don't delay.
- **New Shiurim:** We are launching two new weekly *shiurim*. On Wednesday night at 8:15 pm, join Rabbi Marcus for a *Parsha Chabura*. Prepare for your *Shabbos* meal discussions on the *parsha* and enjoy sushi and drinks. On *Motzaei Shabbos* beginning February 3, teenage boys are invited to join Rabbi Marcus for a Gemara learning group in the Beis Midrash, with pizza and drinks for *melave malka*.

Kiddush in the *hashkama minyan* this week is sponsored by Michael Rollhaus to commemorate the *yahrtzeit* of his father, Yehudah ben Eliezer, ה"ע. He sponsored *kiddush* last week in memory of his wife, Gila bas Shlomo, ה"ע.
