We are having a lot of difficulty achieving our daily minyanim! The next two months will continue to present us with a challenge to have daily minyanim . To all of us who will be here, it is imperative that you give us some of your time by attending Minyanim as often as possible. Harold Dizengoff will be contacting people regarding attendance.

Considering the situation in Israel, we strongly suggest that each of us takes on the responsibility of helping to make a Minyan at least twice a week in the merit of the safety of our brothers and sisters in Eretz Yisroel. We will be adding the recital of Tehillim at every Minyan for the safety of our fellow Jews.

There will be a Board meeting at the Shul at 8:15AM on Sunday, July 20th.
