Dear Members of Temple Beth Abraham:

On 15 August 2014 the engraved bench donated by Temple Beth Abraham in Nashua was placed in the NH Holocaust Memorial.

Added to the engraved double brick you donated last year, we can declare that Temple Beth Abraham is fully represented, and that your congregation has made a significant and lasting contribution to the success of the memorial.

We'd like to express our appreciation to Rabbi Jonathan Spira-Savett and Dr. Alan Green for guiding us through the engraving of the inscription in the bench.

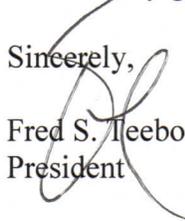

I think you'll agree, this Holocaust Memorial will be a fitting and lasting commemoration of the millions of men, women and children of all ages, who had their possessions confiscated, were dragged from their homes under gunpoint, herded into cattle trains, traveled for days without food, water and sanitation, then were imprisoned, tortured, labored to death in Nazi slave labor camps or murdered in Nazi extermination camps. Nazi Germany and its collaborators treated Jews like animas, and hunted them like cockroaches.

Your reflection from the black cube in the central sculpture, with the name of the death camps carved in the granite walls behind you, will serve as a reminder that, except for the fortune of time and space, each member of your congregation could have been killed in a Nazi slave labor or death camp.

With this memorial, we commit to **NEVER FORGET** and vow that this shall happen **NEVER AGAIN**.

We are very grateful for your generous contribution.

Sincerely,

  
Fred S. Teeboom  
President
