

B'NAI SEPHARDIM
SHAARE SHALOM

ABOUT US

B'nai Sephardim synagogue is Broward County's oldest and largest Sephardic synagogue. Founded in 1970, it has grown to serve hundreds of families in the community.

Our congregation's history and heritage are rich and varied, as our members are descendants of Jews from Spain, Portugal, North Africa, the Middle East and Latin America.

We have an active Sisterhood, Men's Club, daily and weekly study groups, as well as social, educational, youth and singles' activities throughout the year.

We are presenting the congregation with an opportunity to become a partner with us in the final stages our construction. It will more than double the size of our campus facility to include a daily sanctuary, a stunning 450+ seat social hall, a top-of-the-line commercial kitchen, men's and ladies' Mikveh, a Beit Midrash library, offices and two additional multi-purpose rooms.

The expansion offers a variety of naming opportunities through which donors can honor and memorialize a family member or friend. Leave your legacy.

Join us, as we were, are, and will be here to serve you and your family for many generations to come!

Bnai Sephardim Shaare Shalom was founded in 1985 by men and women who were determined to create a Sephardic community that focused on maintaining Sephardic Halacha and traditions. This wonderful expansion project will allow us to continue serving that purpose. Thanks to the efforts of all our past leaders and volunteers over the years, this dream is coming true. May Hashem bless this project being built in his name. Amen.

~ Dr. Shalom Anselm, President.

Our synagogue is a beacon of Torah and Kedusha, giving the entire community the urge and excitement to participate and join this noble, unique congregation.

~ Rabbi Yaakov Zaredo
