

Men's Club Book Review

LECTURER: KAREN GREENE

**Monday, October 22, 2018
AT 8:00 PM**

FOR BACKGROUND:

Squeezed describes, via anecdotes and statistics, various aspects of today's economy which conspire to keep many members of the middle class from advancing or achieving the status and options that their middle class parents enjoyed.

We may consider how these aspects of our economy contribute to what has been called "the day school tuition crisis," and whether Alissa Quart's suggested remedies carry any weight in our community.
