### HOW TO ADD THE SHUL'S CALENDAR TO YOUR PHONE OR COMPUTER

You must be logged in to Shul Cloud to see these options:

- Go to [torahohrboca.org/calendar](http://torahohrboca.org/calendar)
- On the right side of the small box above the calendar, it says "more filters/views" – if you are on your phone, you may need to scroll over a bit to the right
- When you click on that, you will see "export/WebCal"
- Click that and then you will see "ical/WebCal export"
- Click that and then you will see "set up ical"
- Click that and you will see all the options that you can export. ("all shul schedule times" is a drop down with items you can select – if you don't select any it will export all)
- Once you choose the options, you can click to add to google, ical, or outlook – those links should open the external application automatically. (You may have to scroll down to see the links)
- There is also a link you can copy and paste if you use a different application.

You will now have all of CTO's events and programs in your google, ical, or outlook calendar!

*Programs and times subject to change.*

*Always check the weekly Torah Ohr time sheet*

Please share your noteworthy publications, awards, interviews, etc.
