

Sisterhood Congregation Torah Ohr

Mishloach Manot 2023

As you are all well aware, Torah Ohr's Sisterhood is a vital part of our Synagogue, providing much needed financial support to our Shul. Through our fundraising efforts, we have outfitted our beautiful fleshig and milchig kitchens as well as given much needed operating funds to our Shul. Our annual Mishloach Manot is just one of our many projects.

This year our Mishloach Manot package will be given to the entire congregation, whether participating in our project or not. You must, however, be in the Village during Purim to receive our gift.

- (1) **There will be only one category of giving. It will be \$180, and your name will be added to the scroll of those "participating."**
- (2) Each donor will receive a \$50 gift card to the Century Grill. No need to spend the full \$50 at a sitting. The card will hold your funds, and is refillable.
- (3) If you are a donor and not in the Village during Purim, please assign a friend or neighbor to pick up your gift card. It will be held in the Shule office for only 2 weeks.
- (4) Those wishing to participate on a smaller level may purchase cards from the Sisterhood and send your own Shalach Manot. We are only putting your names on the scroll if you are sending to the entire congregation for \$180

Please send your order with the tear off and your check to Laurie Kaufman , 4005 Ainslie A, Boca Raton, Fl 33434, or drop your form and check off at the Synagogue office. Our deadline for submission of your form is February 23, 2023.
