Miraculously, there were two successful kidney transplant recipients in our community this past month! Baruch Hashem, both recipients are doing well and would like thank all of us for our support.

To all our Torah Ohr family:

Michael and I want to express our gratitude to Hashem for sending us a donor kidney from an exceptional man in Flatbush, whom we have no knowledge of who he is. Mike and I are in Cornell Hospital in New York and after much anticipation we were able to receive this wonderful gift through the incredible guidance of Renewal. They held our hands throughout the process. Thank you for all of your good wishes and tefillos. We are truly grateful for everything. Fondly, **Miriam and Michael Schiffer**

“Our” story of thanks:

With gratitude to Hashem, to the Renewal Organization, and to a 37 year old donor from Lakewood, New Jersey, Jack was given a second lease on life. On March 3rd. Jack started on peritoneal dialysis which lasted for 5 months. This treatment was given to him at home for 9 hours during the night, every night. The reason we say “our” story is because this was, is and always will be a joint effort. Although the dialysis treatment is over, b”h, the treatment of medication is a lifelong continuation. Renewal is committed to chesed, helping effortlessly, sharing, involvement and dedication. This is what chesed is all about. Renewal holds your hand throughout this journey of finding a kidney for their recipients as well as assisting their donors throughout this process. Jack’s birthday is July 10th. But his donor has given him a re-birthday of August 14th, which we will celebrate every year along with July 10. Along with Hashem, Renewal, and the donor, we would like to recognize all of our friends with their participation of their tefillot before, during and after Jack’s journey. Thank you all, **Jack & Giselle Lazerowitz**
