FACILITY NAMING OPPORTUNITIES

Our facility naming opportunities, starting at \$100,000, are perpetual. A plaque with your name will be placed at the facility entry or on the item, with the exception of worship facilities/items, for which plaques will be installed on the inside of rooms in which these are housed (not on the item itself).

Your donation will be used, in part, to refurbish as needed (in consultation with you); 20% will be reserved for long-term maintenance of the facility/item (mandatory), with the remainder placed in the Temple Shalom General Endowment Fund, unless otherwise specified by you.

All gifts are subject to participative naming after 10 years. That is, if a future donor matches your contribution, their name may be added to the plaque after a 10-year period.

Your endowment gift is counted as part of your completed lifetime cumulative gifts to Temple Shalom.
