

# Torah Readers

*Some families would like to honor family and close friends by asking them to chant Torah at the Bar/Bat Mitzvah ceremony. We are happy to accommodate this honor in certain circumstances.*

*We will determine the number of available portions for honored Torah readers **two months prior** to the Bar/Bat Mitzvah ceremony. At that time, we will provide recordings and reading sheets for Torah readers that you wish to honor.*

*All Torah readers must schedule an in person visit or telephone call with Cantor Azu three weeks prior to the Bar/Bat Mitzvah ceremony. At that time, if the Torah reader is not adequately prepared to chant their portion, we will be unable to accommodate their honor and Cantor Azu will assume the responsibility for that portion.*

**Depending on the availability, would you like to have Torah readers? ☐ YES ☐ NO**

**If yes, please fill out the information below.**

<b>Name(s)</b>	<b>Relationship</b>	<b>E-mail</b>	<b>Phone #</b>

*I understand that there is no guarantee that there will be availability for Torah readers. I further understand that if I do select Torah readers and they are not prepared three weeks prior to the Bar/Bat Mitzvah ceremony they will not be able to continue with their honor and Cantor Azu will assume responsibility for their portion.*
