## Riddle

**Question:** The Torah specifies in Parshat Shelach (15:3-11) that a Minchat Nesachim (flour, oil and a wine libation) be brought together with every animal (not bird) korban Olah or Shelamim, whether from an individual or the tzibbur. Who is the only person who brings a Minchat Nesachim with a korban Asham and a korban Chatat?

## Last Week's Riddle

**Question:** : A category of matza permitted for Pesach (other than shemura) is "18-minute matza." Since even non-18 minute matza may be certified kosher for Pesach, what is the significance of the 18 minutes?

**Answer:** 18-minute matza means that the baking implements (conveyor belts, oven, utensils, etc.) are cleaned every 18 minutes to eliminate any residue, lest it become chametz. It is an extra precaution.
