

Friends,

It is with great pride that we present to you the Young Israel of Teaneck Programming Brochure for 5784. We are particularly proud of a number of new programs being showcased this year. Dating Done Right launched in the middle of 5783, and we are so proud of all this program is accomplishing, helping singles and their families to navigate the dating process. Our new Teen Minyan is now in its second year under the direction of Dov Muller. And we are excited about the launch of a new Mental Health Initiative this fall.

At YIOT it is our goal to provide meaningful opportunities for spiritual and personal growth for all our members: children, teens, and adults. And because we have a diverse membership, our goal is always to provide programming that affords each member an opportunity to find something that fits his or her interests. We encourage you to find something that speaks to you and join us on the journey towards a meaningful year ahead.

So many of the programs you see in this brochure are run by committees that are lay-led, and we want to take this opportunity to thank all our members who have invested their time and energy to make these programs come to life. It is all of you who make YIOT the warm, vibrant, growth-oriented community we all love.

We look forward to an amazing 5784, which we hope will be a year of growth and success together as a community.

Warm regards,

Rabbi Beni Krohn

PARENT CHILD LEARNING

The Burton z"l and Sharon Kaplan Parent-Child Learning Program, endowed by Judah and Carolyn Kaplan and family, and Elijah and Yoni Kaplan and family, is a fun program designed to instill in our children a love of learning and an appreciation for the joy of Torah and Yiddishkeit. It is named for Judah and Elijah's parents, who took it upon themselves to increase their own Torah knowledge every day, inspired and continue to inspire their children and grandchildren, as well as many other kids of all ages to do the same, and were and remain active supporters of multiple Jewish day schools in their community.

PCL is a wonderful opportunity for YIOT parents and children to learn together in our social hall. In the winter the program takes place on Motzei Shabbos. In the summer it takes place on shabbos afternoons at 5:15 pm. Come for the learning, stay for the raffle, prizes, snacks, and a story with Rabbi Krohn!

The Annual Joseph Dresdner z"l Memorial Shabbat Chazzanut, featuring Country Club's own Hazzan Netanel Hershtik and the Hamptons Synagogue Choir.
Date & Time TBD

Adeena and Yaakov Pultman endowed the annual Shabbat Chazzanut in memory of Adeena's father, Joseph Dresdner, a"h. Mr. Dresdner had several passions in life including his family, his faith and the state of Israel, but he had another true love - chazzanut. The endowment of the Joseph Dresdner z"l Memorial Shabbat Chazzanut was a perfect and lasting tribute to his memory.

MENTAL HEALTH

The YIOT Mental Health Initiative, endowed by an anonymous YIOT family, will aim to provide resources, education, and programming to help YIOT families prioritize their mental health. The program will launch in the fall with a 3-part series with leading therapists and researchers on how parents can continue to successfully guide their children through elementary school, pre-teen and teenage years, and emerging adulthood. More programming will follow in the spring, as we continue to address the ever-present challenge of mental health and wellness for both adults and children.

DOROT TREE

The Young Israel of Teaneck would like to give our members and their parents, grandparents, and extended families an opportunity to have a portion in our beautiful Dorot Tree that adorns the entryway of our synagogue. In doing so, you will be connected to us and our future generations in a tangible way. We ask you and your extended family to seize this opportunity to make an everlasting and beautiful contribution.

This stunning piece of artwork will celebrate your family's role in our community, or commemorate special events - births, bar and bat mitzvahs, weddings, and yahrzeits. GET INVOLVED

YIOT is a warm community that operates primarily through the generosity of others. Whether through time, sponsorships, or talents, there are many ways to get involved and help.

YIOT WELCOMES

To arrange a visit, contact office@yiot.org or go to www.yiot.org and click on **Join Us for Shabbat!**

TIME & TALENT

YIOT also means You Inspire Our Team. We need you! Whatever your talent, occupation, hobby, or interest, there is a committee or area of our shul where **YOU** can help. Please look at our list of committees on page 5, contact the chair-person and join. If you can help in another area that isn't listed, email office@yiot.org. If you have time, let us know. We can always use help.

SPONSORSHIPS

Programming

Sponsorships are available for various programming, whether it is an adult education series or an individual speaker, youth programs, or community programs. We also often have smaller group sponsorships for events.

Day of Learning

Sponsor a weekday or Shabbat/Yom Tov Day of Learning in memory of a loved one or in honor of a birthday, simcha, or thank you. All Day of Learning sponsorships help support our Adult Education program.

Kiddush and Seudat Shlishit

Sponsor our weekly Kiddush or Seudat Shlishit in memory or in honor of someone. cheri@yiot.org

Dedications

Various parts of our building can be donated in honor of someone or in memory of a loved one.
