Message from the President

Chaverim - Friends

On behalf of the Board of Directors and the Professional Staff, we wish everyone a L'Shanah Tovah - A Good New Year.

This is an exciting time, leaving summer and re-entering the “regular cycle” of life, it has never seemed odd to me to celebrate a new year in September.

Last year, we had more participation at High Holidays than any in recent memory! Our leadership team and Rabbi Aft have been working hard to continue that trend in not only numbers, but also in content and meaning. This year we are expanding the well received “Spirit of the Holy Days” to Yom Kippur!

In this packet you'll find information on a wide variety of programs and activities planned for this fall

How about we all make a New Year’s Resolution and pick just one thing that would be new for us? Whether it be a program from our very active Social Action Committee, or one of the several Sukkot Activities that will occur over the 7 day holiday, dance the horah on Simchat Torah, or one of the excellent Adult Education, Men's Club, or Sisterhood programs.

Friday night is the jewel of the Jewish week. Our new “Got Chavurah?” program continues to grow! This is a congregation-wide activity to share a Shabbat Dinner with a group (Chevra) in a member's home. Mark your calendars on Friday, Nov. 30 for 'Chavurah Shabbat!'

Many other activities, too numerous to mention here, can be found in this packet.

I'm looking forward to seeing everyone during the holidays, and if you're new to Adat Reyim or we've never met please introduce yourself.

L'Shanah Tovah,

Bruce Kaplan

Message from Rabbi Aft

Dear Friends,

As we approach 5779, there are many of us who are somewhat frustrated by the challenges we face in our world. Although it is a familiar refrain around Passover, the words ring true as we contemplate the possibilities in a new year, "Why is this year different than any other year?"

One of the themes of the High Holiday sermons is going to be how to build a more compassionate society. Due to the hard work of Shira Solomon, Mark Cowen, Stephanie Berg, Dr. Marc Gopin from George Mason University, and others, we are embarking on a program about how to help parents become more compassionate. (More details to follow.) Most of us who are parents (and all of us!) have struggled with when to be compassionate and how to be more caring.

During Yom Kippur when Gary Lefkowitz reads the Book of Jonah, we are reminded that if G-d could forgive the people of Nineveh, then we should be willing to forgive each other. Part of our liturgy also includes the recitation of the 13 Attributes of G-d, which teaches that G-d can be forgiving (Exodus) 34:6-7). When G-d hears us recite these words, G-d is moved to be compassionate and hopefully will respond with kindness.

In Pirkei Avot, the Teachings of the Sages (or Ethics of the Fathers), Chapter 2 verse 6, we are taught that in a place where no one is behaving like a mensch, we should strive to be a mensch (a kind, gentle person). Hopefully, in our new year we will all make a concerted effort to be kinder, more compassionate, and more forgiving in all aspects of our lives. So...what will make this year different? Perhaps an extra dose of compassion and forgiveness can sweeten our new year and make this year even more special.

Finally, as I write this, many of you will recall how upset many of us were when families were separated at our southern border. (As you read this, I do not know what the current situation will be.) One of the most important things that I learned from those incidents was how much I treasure being together with my family and how I should never take these times for granted. May the New Year bring many opportunities for each of us to have meaningful time with our families and those we love. I also hope that for those of us who have conflict in our families, we will try to find compassionate, caring, and forgiving ways to respond.

May all of us be inscribed and sealed for a meaningful, fulfilling, healthy, happy, and safe New Year.

Shanah tovah u'metukah. We hope and pray it will be a good and sweet New Year.

B'shalom,

Rabbi Bruce Aft

Message from the Executive Director

Dear Fellow Congregants,

The Board of Directors and staff of Congregation Adat Reyim would like to wish you and your family L'Shana Tovah as we anticipate the upcoming High Holidays. In this mailing you will find all the information you need to prepare for the holidays: bookmark schedule of services, childcare registration, additional tickets order form, prayer book order form, book of remembrance information, and upcoming services and events information and RSVP forms. Please return all completed forms by their deadlines.

Tickets

The entrance to our building will be monitored so that we can welcome guests and provide security. Please bring your tickets to all services you attend and show them upon entrance to the building. You may obtain additional tickets for out-of-town family and guests by contacting the office, by completing the form at the end of the packet, or by going to our homepage and following the link for High Holiday Tickets. Guest ticket fees may be applied toward new membership dues for those who join the synagogue before October 31, 2018. We expect a full house, so try to arrive early to services. Late arrivals will be seated by the ushers only at appropriate breaks during the services. Please remember to turn off all electronic devices before entering the building. Better yet, leave them at home!

Parking

Our parking lot cannot accommodate everyone during the High Holidays. Additional parking may be found at St. Andrew's Episcopal Church, located at 6509 Sydenstricker Road. We may park in their back lots and there is an earthen pathway at the end of the parking lot that leads to Adat Reyim. You may also park at Rolling Valley Mall and on the residential streets around the synagogue. Let's be good neighbors and obey neighborhood parking signs and restricted or private parking spaces in the Westbury Oaks townhouses' development. **Improperly parked cars will be ticketed or towed at the owner's expense.**

Additional handicapped parking spaces will be available in our traffic circle. Individuals without a state issued handicap tag, members who cannot walk long distances, and members who do not have a driver to drop them off at the entrance may obtain a parking pass for the circle by calling the office or requesting one online.

Child Supervision

Parents are responsible for the safety and supervision of their children at all times. Children must be supervised in the lobby and are not allowed on the playground. If students are not attending youth services or babysitting, a parent or adult MUST supervise them at all times. Youth services and activities are available for grades K-2 and 3-7. Supervised childcare is available on site for preschool-aged children (ages 2-5). Reservations are required, so that we can hire the proper number of staff. Please RSVP no later than August 27, 2018.

Security

Security is paramount during the High Holidays. A police presence will be visible. They will monitor cars entering the parking lot so you must display the enclosed parking pass on your dashboard to gain admittance into the traffic circle in front of the building. Police will also assist pedestrians crossing Old Keene Mill Road.

As always, if you have questions, or specific needs, please do not hesitate to call the office at (703) 569-7577 and we will be happy to assist you. L'Shana Tovah and best wishes for a healthy and happy year!

B'Shalom,

Dear Adat Reyim Community,

I am delighted to begin in my role as the new Education Director of our Religious School. I am originally from New England (Massachusetts and Maine), but have lived in Virginia since 2010. I received bachelor's degrees in social studies education, history, and international relations from Boston University, master's degrees in education policy and management and elementary education from Harvard and Brandeis, and just completed a doctoral program in educational leadership at the George Washington University. My experience includes public and religious school educator, curriculum designer, consultant, and religious school director at Temple Beth Shalom in Annapolis. It has been a pleasure to join the Adat Reyim community with my husband, Dan, and two preschoolers, Zev and Livia.

We have been working hard to prepare for a fantastic 2018-2019 school year. **Religious School will begin on Sunday, September 16th, at 9:00am, with students meeting in the sanctuary and parents in classrooms.** Parents should plan to spend the whole morning at Religious School because at 10:45 am, we will head to a picnic to kick off the school year. Please stay tuned for more information!

Looking forward to a meaningful school year!

L'Shalom,

Dr. Adina Newman

Message from the Preschool Director

As of this past April, I assumed the Preschool Director position here at Adat Reyim. Over these past five months, I have worked with our capable staff to finish the preschool year in June, to administer the summer camp program for July/August, and to plan and prepare the preschool program for the upcoming school year ahead.

My overriding goal is to ensure that Adat Reyim Preschool is a "home away from home" for children. Throughout the day, our students can grow and flourish by challenging their minds and bodies, as well as having opportunities to practice important social and emotional skill building. I want every child in our care to feel competent, confident, and believe that the world is an exciting and interesting place. Most importantly, we recruit and train the best teachers possible to expose our preschoolers to all things Jewish, including holidays, traditions and values.

It is a pleasure to collaborate with so many talented individuals who comprise the preschool, the religious school, the executive staff and the entire congregation. I am thrilled to be a part of this very special community of friends.

What's Happening in Preschool

We had an exciting summer here at Adat Reyim Preschool. Our Preschool Camp and Summer Camp programs almost doubled in size with many returning campers and so many new faces as well. Children in our preschool, as well as children from our nearby community, all had a blast "camping under the stars," learning about magic from a magician, building volcanoes, learning how to cook, engaging in "submarine adventures" and training to be a superhero. Now, we are onto the fall.

This September, we have approximately 50 preschoolers, which is the highest enrollment we have had since our school first opened its doors. We have two, two year-old classes, a three year-old class, and two Pre-K classes. All classes are full, except for a few slots remaining in our Pre-K program.

The preschool staff is looking forward to welcoming new and returning families into our community of friends. To start off the new school year, we will have a "Meet the Teacher" Open House on Friday, August 31 from 10:00 AM to 12:00 PM. We will also be hosting some parent coffees on Tuesday, September 4 and Wednesday, September 5 at 9:45 AM, for our first day of five-day classes and for our first day of three-day classes. Back to School Night will be held earlier on Thursday, September 6 from 6:00 PM to 8:00 PM.

All year, we will be teaching the children about Jewish holidays and Jewish values, supplemented and reinforced by enrichment in our STEAM studio and in Music, Movement and Judaics. We will be busy planning special parents programs, such as our "Kindergarten Readiness Panel" to be held in October, as well as other ways to engage our community with our traditional events and some new ones, too.

As always, we are so grateful to our congregants for their support for the preschool. We could not do this work without you.

Have a happy and healthy New Year. Shanah tovah.

L'Shalom,

Therese Fournier

Shana Tova and welcome to the High Holidays at Adat Reyim. We offer a variety of prayer opportunities for everyone. We will have traditional services with modern enhancements in the sanctuary and "Spirit of High Holiday" services for Rosh HaShanah and Yom Kippur (new) in the education wing. Please read the descriptions of the services found below. As you look through all the options available, please choose what you feel will best suit the needs of you and your family.

This year we are offering three options for children outside of the congregational services. There will be **Youth Services** in the mornings during the Torah service where children are welcome to attend independently. In the afternoon we will have **Youth Activities** but no formal service or instruction. There will also be professionally supervised **childcare** available for our youngest congregants during most of the High Holiday services. Please fill out the form at the back of the booklet if you plan to take advantage of the childcare opportunity to help us plan appropriately. We would greatly appreciate your donations to defray the cost of professional supervision.

NOURISHING OUR TREE OF LIFE:
A REVITALIZED BIMAH FOR TODAY AND TOMORROW

It has been almost a full year since the big "reveal" of the Rejuvenated sanctuary and lobby. We are enjoying the new flooring and carpeting, new lighting and acoustical panels, the fully-accessible wheelchair ramp, the new wood-paneled movable walls, and the nature-inspired feature wall in the lobby. The synagogue recently invested in handicapped-accessible front doors, further demonstrating our commitment to welcoming people of all ages and abilities.

While these changes have served to elevate and enhance the Adat Reyim experience, our job is not yet done!

The Interior Rejuvenation Committee has been working behind the scenes on the next phase of the Rejuvenation — a revitalized bimah. Collaborating with Ritter-Norton Architects, and bringing together a cross-section of congregants who had expressed interest in the bimah, we have been brainstorming, dreaming, and fine-tuning a concept for the bimah that reflects our congregational values and will serve us now and for years to come. And . . . we will be revealing it to you during the High Holidays!

Reflect on the design after the holidays and join us on Sunday, October 14th, for an evening of information and discussion about the design process, the details of the design concept, and the priorities for next steps. More information to come!

As always, if you have any questions about the process, or a desire to help usher in this next phase by making a donation, please contact Larry Kugler and Errol Siegel, Rejuvenation Fundraising Chairs, or me.

As we bring in the New Year 5779, let us gather, celebrate, and enjoy all that we have accomplished. Let us open our hearts and minds to what is, and what can be. And let us be inspired by the ability of our synagogue to nurture, sustain, and inspire our generation and future generations.

L'Shanah Tovah,

Andrea Cate, Chair
Interior Rejuvenation Committee

The High Holidays is traditionally a time that congregations ask their members for contributions. Membership dues alone are not enough to support our synagogue (or any other). They don't cover all of our essential, fast-rising operating expenses, much less the myriad of programs and support services we provide. A very significant portion of Congregation Adat Reyim's annual operating funds is dependent upon our members' positive response to the Annual Kol Nidre Appeal.

On Tuesday, Sept 4, Wednesday Sept 5, and Thursday, Sept 13, your Board of Directors and other Congregant volunteers will place phone calls to speak personally to each Adat Reyim member and family about making a pledge that feels right for you. When our volunteers call, please accept our personal best wishes for a year of good health, fulfillment, love and peace. We hope you will be receptive to the call by being as generous as you can. Every donation is important - no matter what the size. Regardless of the amount you might be able to contribute, please respond positively to the phone call so that 100% positive participation by the congregation might be approached in this important effort.

Thank you in advance for your support. If you would like to help by joining the committee, get in touch with us through the office at office@adatreyim.org

Create A Jewish Legacy

Creating your Jewish legacy ensures that you will be remembered and that your passion and your values will continue when you are no longer here. It also serves as an example to your loved ones that you believe it is important to support the Jewish community. The act of creating a legacy empowers you to complete the work of your heart. By leaving a legacy, you will help to ensure that the traditions and institutions important to you remain vibrant for future generations. For more information on how you can create your legacy please contact Steve Schwartz, schwaste@cox.net.

CREATE A JEWISH LEGACY

Congregation Adat Reyim Choir

If you can read this:

… then your choir is interested in you.

The Congregation Adat Reyim Choir is recruiting new adult members. If you are a new member of the congregation (or even an "old" member) who likes to sing, give the choir a try. We typically rehearse twice a month on Sunday evenings and participate in one Friday evening services each month. We also help to lead High Holiday Services. It's fun! Proficiency in Hebrew is not required, but it's really helpful if you can read music, at least a little bit.

For more information about joining the choir, contact the music director, Mitch Bassman, at <Choir@AdatReyim.org>, or leave a copy of this form in Mitch's box in the synagogue office.
