To Whom It May Concern:

I hereby confirm that on August 8, 2021 I carefully reviewed the entire Lakeview (Chicago) Eruv conducted by Rabbi David Wolkenfeld and members of his synagogue. We found the Eruv kosher. The Eruv team and inspectors are very capable, devoted and dedicated to maintaining the Eruv at an appropriate level of Kashrut. The local Rav, Rabbi David Wolkenfeld has a very good knowledge of Hilchot Eruvin, is actively involved in maintaining the Eruv and consults me frequently regarding this Eruv. Most important, during each review a spirit of how to improve the Eruv prevails. There is a healthy culture of continuous improvement which is the recipe for successful Eruv maintenance.

This certificate remains in effect until January 1, 2023.

Sincerely,

Rabbi Chaim Jachter
Rav HaMachshir, Lakeview (Chicago) Eruv
