

ASBI NUT POLICY

Anshe Sholom B'nai Israel strives to be nut*-free. We ask that you not bring in anything that contains nuts, may contain nuts, may contain traces of nuts, or is made on the same equipment with nuts.

Food provided by the shul, including Kiddush and/or other catered meals, does not contain nuts but, depending on the caterer, may have been made in the same facility as food containing nuts. If you have concerns about cross-contamination, please contact the shul office.

** "Nut" refers to peanuts and tree nuts. Tree nuts include but are not limited to: almonds, Brazil nuts, cashews, hazelnuts, pecans, pine nuts, pistachios, and walnuts (According to FARE - Food Allergy Research and Education, foodallergy.org/common-allergens/tree-nut).*
