

Covid 19 Policy Update

August 10, 2021

Dear Members,

Due to the “high” transmission rate of Covid19 within the El Paso community, Congregation B’nai Zion is now requiring that all members and guests (irrespective of vaccination status) who come into our building wear masks and maintain social distancing while on our property. If for whatever reason, you are not able to wear a mask, we hope you will join us through our live stream.

We are committed to the well being and safety of our members and guests and look forward to the day that we can resume “normal” operations without mandated Covid19 safety practices.

We thank you in advance for your cooperation and understanding of our policy. We look forward to having you join with us for all of our services and programming.

Warmly,

Felicia Rubin, President
