Let’s Build Our Community

Now that the holidays are behind us, I would like for us to engage in our next project, community building. B’nai Zion is filled with beautiful people and great potential. Our congregation is hungry for Jewish learning and for spirituality. We just need to engage in our synagogue life and feed our spiritual hunger in order for our beacon of enlightenment which we call B’nai Zion to shine brightly over all of El Paso.

A Jewish teaching which comes to mind as an inspiration for our project is that Torah studies are the building blocks of a Jewish community. Therefore, an adult education catalog will be coming out full of classes that we can enroll in to expand our Jewish horizons.

I have so been enjoying serving as your rabbi during the High Holidays and I look forward to getting to know you well.

I wish you a good and sweet New Year.

Rabbi Royi Shaffin
The high holidays are a perfect time for all of us to gather as a community. As always, it was great to see everyone who attended. We look forward to seeing each and every one of you at our upcoming events and services. We remind you that your synagogue is here for you, not only on high holidays, but throughout the year.

The Office
In past messages I have been asking for members to step up and volunteer their time to plan programs or to be active on committees to do so. We have had many members rise to the occasion and I sincerely thank you all for your efforts. Additionally we have been seeing an increase in donations. This is a very good start to our New Year and I thank everyone for giving of their time and money. Remember your donations to our congregation are a Mitzvah. One hundred percent of your donations go to the philanthropic work our Synagogue does daily. If you have not acted upon your Kol Nidre pledge then now is a good time to do so, the more participation we have the better. Every single donation counts. Please give what you can, as much as you can and as often as you can.

As we approach the close of our secular year, November is shaping up to be a very active month. Our month kicks off with our Shabbat meals to go program, Lasagna is the featured main dish! November 5th is the Bar Mitzvah of Noah Hagins, son of Sarah Williams and grandson of Bill and Yoli Radcliffe, a wonderful Mitzvah for the family and this extraordinary young man. November 11th and 12th is the Shabbos Project, please plan to attend! November 13th is the Hadassah Community Health fair at B’Nai Zion, if you have a Health Care related business and would like a booth please contact Debra Cohen. November 18th is our 1960’s themed Shabbat program and dinner, don’t miss this! November concludes with our annual no leftovers Thanksgiving dinner on November 25th!

This will be a wonderful month. Please come out and attend!

-President’s Message

- Alan Cohen
As I am writing this message for November, our El Paso temperatures are in the 90’s with blue skies greeting us most mornings. We are lucky to celebrate Sukkot in our synagogue and home Sukkahs with excellent weather on most days. While we all want some rain in our area, we are glad we infrequently deal with the problems it creates (think about our Westside traffic). At the same time, we worry about relatives and friends who live in the path of devastating storms, whether in Florida, the Carolinas, or the Northwest. May everyone be well.

Our first evening in the Sukkah was lovely as was the Evening in the Sukkah with Rabbi Shaffin speaking about “In Search of Happiness.” Our next Sisterhood event is the Book Discussion with Hadassah and Women of Reform Judaism (TMS) to be held on Tuesday, November 15, at 7:00 p.m. at Temple Mount Sinai. Book information and details about the event are in this edition of The Messenger. We hope you join us. We are already looking ahead to Sisterhood Shabbat in January. If you are interested in participating, please let me know and we can honor you with an Aliyah, a selected reading, or one of the many other parts that are assigned at our Saturday morning Shabbat service.

If you have not yet sent in your membership for Sisterhood, you will find one in this edition of The Messenger. Memberships renewed by December 15th will be registered with the Women’s League for Conservative Judaism. After that date, your membership will be considered only a local membership. There are so many reasons to join Sisterhood: opportunities to share events with other Sisterhood members, support of our kosher kitchen, and support of the many activities Sisterhood actively funds, among other reasons. We are hoping to see your name on our list of members this year. We especially thank our Mitzvah and Torah membership sponsors who are listed in this edition of the Messenger.

In Genesis God called the day light and the darkness He called night
Creating So many stars. The stars in the sky, Our Star of David. Blue and white. Is it the blue color made of the snail on my Tallis that color star ? The star my grandparents were made to wear in the Shoah Or the star on our flags we parade
A Shooting Star!
Star Wars indeed we are at war with ourselves to complete our daily tasks with purpose and within Gods rules Here we are in El Paso the star on the mountain in 5776
So much day light. The sun. So bright. Today Powers generators Sun city. The sun rays so bright we need protection. Sun screens and even sun glasses. Sun rise begins our day.

So much night The moon high in the sky. Phases of the moon Control the tides On a rainy night hidden. But the moon is there. On the horizon the moon moving to the top of the sky The crescent moon on another’s flag. Ishmael other son of Abraham. War unending
So much ocean the fish. Water for our existence and food to eat Sometimes Floods threaten to take back land as in the time of Noah We move inland. Building bridges and dams to hold back this water. Why do we pollute what God has given

Our Existence is in this Universe The direction of Gods plan is to change this world into a better place Tikkun Olam And So Judaism is a religion of deed We don’t ask for and say give me; we act
King Solomon (24:16) told us in proverbs. “ a righteous man falls down seven times but then he gets up”. We don’t pray to ask God to do. instead we rise up. And we do
Yes I have failed many times but I move forward to only fall again and to stand Others might stand in the way but with God’s help we move forward My mother told me to persevere. My father told me to do good deeds but also to fight back
The sun and the land with the day and the night our universe is given to us by God The all powerful. Lord of lords Holy of holy The One. The omnipotent This is our new year 5777 The Days of awe to repent. To consider To plan To make goals To live our days with purpose It’s our challenge To live productively To do something To build. To move To renew and complete tasks and goals Challenged by God Free will is a gift with a responsibility We are no longer slaves of Egypt We are free men and women but freedom comes with responsibility
And so Genesis began thousands of years ago The challenge What we are today. Significantly what we do today The same patterns reoccurring for these thousands of years May the shofar awaken your soul
Bereshit
In the beginning _.

Happy and healthy New Year to all of you

Yom HaShir: Day of Song a Success

By Kristin Kimmelman

Community members of all ages gathered on Sunday, September 25, 2016, to enjoy Jewish music in the beautiful Keystone Heritage Park Botanical Gardens at Congregation B’nai Zion’s first Yom HaShir (Day of Song). Saul Kaye, the visiting Jewish blues musician headliner, engaged the 130-person crowd with uplifting and contemplative tunes.

The afternoon concert was a culmination of Saul’s weekend visit that included Kabbalat Shabbat at Temple Mount Sinai, a visit to Chabad, a joint Selichot service with Temple and B’nai Zion, and musical teaching with both Temple’s Religious School and B’nai Zion’s Talmud Torah students. This being his first visit to El Paso, Saul, who was born in South Africa and now lives in the San Francisco area, also visited the Franklin Mountains and took every opportunity to get his fill of Mexican food.

Many thanks to our outstanding local performers for contributing their talents to the afternoon concert: Rabbi Royi Shaffin, Rabbi Larry Karol, Lety Briones, Emil Chaparro, Neorah Garcia, and Alison Westermann. Yom HaShir was made possible thanks to a grant from the Jewish Federation of Greater El Paso. With such outstanding support and turnout at this first Yom HaShir, it will surely not be the last.

PRAYERS FOR THE SICK

If a relative or friend is suffering from an illness, perhaps you would like to recite a special prayer for the speedy recovery of the ailing person. Traditionally, the Hebrew name of the sick person and the Hebrew name of the sick person's mother are mentioned during the prayer. It would be helpful if you would provide us with this information when you make your request.

Prayers for the recovery of the sick are customarily accompanied by a gift to a deserving charity. The merit of this kind deed arouses God's mercy and His powers of healing. Although any amount is deemed appropriate on such an occasion, a gift of CHAI - $18 - or multiples of 18 - is particularly fitting when pleading for a person's recovery from sickness.

Chai in Hebrew means life. The two Hebrew letters which constitute the word - CHET and YUD - have the numerical equivalents of eight and ten respectively, together yielding the sum of eighteen. For this reason it has become a custom to give charity in the amount of CHAI when praying for the well-being of a suffering person.

Enclosed please find a contribution in the sum of $ ________________________________
