

Where in the area is Rabbi Paskind?

Borrowed from "Where's Waldo?"

Rabbi Paskind is trying something new. Beginning on Wednesday, January 2, at 10 am, she'll be "popping up" at different local independent coffee shops and diners with one purpose: To spend time with you.

Stop in to share a cup of coffee and some conversation with her. Perhaps even bring a friend. There's no agenda, no set topic. Whoever shows up — congregant or new friend — will be the right company.

Below is the plan for January and February; watch your Beth El publications for future dates and location. **Café Dolce in Norwalk at 10 am (345 Main Ave, Norwalk) on Jan 2, 9, 16, 23, 30. Tusks & Cup in Wilton at 10 am (142 Old Ridgefield Rd.) on Feb 6, 13, 20, 27.**
