

## Shacharit and Musaf for Rosh Hashanah 5781

Welcome to a very different Rosh Hashanah at The Jewish Center. We are so glad you are able to be with us. While the words of our *tefillot* will be familiar, many aspects of our High Holiday experience will look and sound a little different.

We will begin davening in Shul with Ha-Melekh. You are encouraged to recite Birchot haShachar through the end of Pesukei deZimra at home. We will omit most piyyutim in our tefilot. If we are reciting a piyyut, it will be noted below.

On Sunday, we will be blowing 60 Kolot of the Shofar. (If anyone would like to hear an additional 40 Kolot, they may do so on Rosh Hashanah afternoon.) In order to minimize contact, there will be one person who will do all of the following: take out and return the Torah, lain, receive all aliyot, recite the Haftarah, do hagbah and gelilah. Kohanim do not need to leave the room when the first aliyah is given to a non-Kohen.

Please note that we will not be distributing kibbudim this year. One of the rabbis, gabbaim or officers will handle opening and closing the ark at each minyan.

During Musaf on Sunday, Kohanim will leave to wash their own hands prior to Birkat Kohanim, Leviim will remain in Shul. During Birkat Kohanim there will be no singing.

### General Reminders:

- Masks must be worn at all times in the building, covering both your nose and mouth
- You must sit in your assigned seating;
- To adhere to social distancing rules, please do not walk around in the Shul;
- Unfortunately, except for the Chazzan, we will not be singing as a community;
- Please do not stand or daven in the aisles;
- So that we can start punctually and to minimize crowding at the entrance, please make every effort to arrive on time.
- Please remember to bring your own Machzor to shul. If you would like to borrow a Machzor from The Jewish Center prior to Rosh Hashanah, please use this form.
