

Sisterhood

Shalom y'all,

It's been a while since my last article, I've been a bit busy. I have a lot of shoutouts to so many people, so bear with me.

We made Hamentashen, for Purim. Thank you Faye Rosenbaum for providing the prune and apricot fillings. I would also like to give a big thank you to Rebekah,

Rosemary, young Ben, and Brodie for all your help in getting the orders out! The meat and dairy closets have been "down sized" to make room for newer improved kitchen gadgets. We had a kitchen sale April 10th, and made quite a bit of money. Thank you Lou, Rebekah, Faye, Ben, young Ben, Rosemary, Arny, Alan, James, and Barb.

I would also like to thank all who gave such generous donations to our kitchen fund. Thank you Sue Feigenbaum, Benjamin Nettles, Avi Baurberg, Norm Roberts, Arny Pock, Esther Allen, Bill Allen, Marci Goodman, and Richard Haller!

If you would like to donate, send us check. It's greatly appreciated.

An exciting event coming up, our Moroccan mimuna on May 1st, at 5pm. We will be joining Temple Bethel in our banquet hall to celebrate the last day of Passover Moroccan style. Traditional Muflettas will be served, along with a few

other treats. Please try to make it!

Last thing, if you haven't been to a Cafe Israel night, I strongly suggest you try to make it. The Cactus Flower is very accommodating, and the topics are quite interesting. Tal does a great job, and it's good for us to support her!

Happy Pesach,
Kate Lollar

Update! So many new items were purchased from the kitchen sale and your generous donations, thank you! But the kitchen is not yet complete. Sisterhood is continuing to raise funds to purchase a stackable washer/dryer as well as some cabinet refinishing to match our beautiful new pantry. Please consider a donation, any amount would be helpful.
