President's Message:

As the Yom Tov of Pesach approaches and Klal Yisrael once again finds itself in a matzav of sakana, it behooves us to strengthen our emuna especially during this zman cheiruseinu and daven to the Ribbono Shel Olam to protect us as well as acheinu bnei yisrael in Eretz Yisrael. As the Rav said during his phone shiur on Thursday night, it's clear that the Ribbon Shel Olam was protecting his children last Motzei Shabbos and we need to ensure that we stay unified and have achdus during this eis tzara.

We are all looking forward iy"h to a beautiful Yom Tov in our shul as it always is. I personally look forward to having a bit more time to learn as well as the engaging shiurim from the Rav. The beautiful tefillos are the icing on the cake. I hope to see all of you in Shul over Yom Tov.

Wishing you a Chag Kasher V'Sameach,
Yehuda
