Ingredients:

2 tablespoons (1oz/30g) Butter
4 tablespoons all-purpose flour
1 Egg yolk
2 tablespoons sugar
1 tablespoon milk
1/2 teaspoon baking powder
1/4 teaspoon ground cinnamon
1 tablespoon Strawberry jam
Cinnamon sugar to garnish

Instructions:

1. Place butter into a microwavable mug and microwave until just melted. (roughly 20 seconds)
2. Add in the remaining ingredients; mix well with a fork until just combined
3. Once the batter is mixed place the spoonful of jam down into the batter to get a jammy center
4. Microwave for 45 seconds or until it is firm on top. (Cooking time is based on my 1200W microwave so your timing might vary) Always keep a close eye on your mug while in the microwave so it doesn't overflow or overcook.
5. Sprinkle some cinnamon sugar on top and enjoy straight away!
