

## **RULES TO LIVE BY**

For the near future, as the Delta Variant of Covid-19 continues amongst us, Congregation Eitz Chayim has adopted the following rules. They will guide us and keep us healthy as we enter the New Year. CDC guidance varies with conditions and our rules are also subject to change, as the situation warrants.

1. All vaccinated people must wear masks indoors (and it is left to their discretion whether to wear masks outdoors).
2. All unvaccinated people must wear a mask, at all times, indoors and out.
3. Please keep three feet between you and others who are not in your family group, both indoors and out.
4. Stay home and take care of yourself if you have any of the following symptoms: cough, runny nose, sneezing, headache or sore throat.
5. Stay home and take care of yourself and your congregation if you have tested positive for Covid-19, or have been in contact with someone else who has tested positive.
6. Open windows and doors when gathering indoors.
7. No eating or drinking indoors
8. If you become ill in the days after attending services, get tested for Covid-19 and if positive, call Daniel Serfaty, EC president, at: 857 498 0728 .

The Torah teaches us that we are responsible for one another. Let's work on staying well, and making sure our community stays well. This is the very best gift we can give one another for the New Year.
